

CASHLESS SYSTEM IMPLEMENTED ON DRUMMOND ISLAND FERRY

Drummond Island Residents

CREDIT/DEBIT ARE NOW THE PREFERRED PAYMENT ON THE FERRY. We encourage all customers to use credit/debit cards to pay to cross the ferry. The crew will remind customers of the preferred system. Please be patient during this transition. If you would like to utilize your credit cards and you would like to purchase ticket books with a credit card you can let the deckhand know and he can do it from the island side

AN ALL CASHLESS SYSTEM WILL BEGIN APRIL 8, 2020.

We realize this change may be an inconvenience for many of our customers, but eliminating the handling of cash between customers and the crew is one more way we can help slow the spread of the COVID-19 virus. Thank you for your patience and understanding. We look forward to working with you on this endeavor.
